

# CARTE Services available to UofT Students

[The Centre for Analytics and AI Engineering \(CARTE\) \(https://carte.utoronto.ca/\)](https://carte.utoronto.ca/) provides broad support to faculty and students working in the analytics/AI/ML fields through a number of initiatives, namely:

1. **Networking Event:** We run an annual student networking event to raise awareness on opportunities, resources, and funding to get involved in AI/Analytics research on campus and beyond. This year, the event is scheduled for September 27<sup>th</sup>. For details and registration (capacity is limited), please see: <https://carte.utoronto.ca/event/carte-2024-student-networking-event/> (<https://carte.utoronto.ca/event/carte-2024-student-networking-event/>)
  
1. **CV bank:** Undergraduate and Master of Engineering students not currently working with a supervisor who are interested in research projects are invited to submit their CVs to our CV bank. Any of our faculty affiliates may contact these students throughout the academic year with a research opportunity. We are asking students to submit their CVs by Sept 30<sup>th</sup> for the fall semester. CVs should be sent to CARTE assistant director at [Somayeh.Sadat@utoronto.ca](mailto:Somayeh.Sadat@utoronto.ca) (<mailto:Somayeh.Sadat@utoronto.ca>) (subject: CV bank)
  
1. **Research drop-in clinics:** If you need technical guidance on AI research projects, feel free to book time with CARTE's senior research associate, Alex Olson, through here: <https://outlook.office.com/bookwithme/user/b8d95c0684474992ad774c0a32c8d10d%4078aac226-2f03-4b4d-9037-b46d56c55210/meetingtype/fbd378db-c5b9-4364-86b6-5a9c563b28ce?anonymous>  (<https://outlook.office.com/bookwithme/user/b8d95c0684474992ad774c0a32c8d10d%4078aac226-2f03-4b4d-9037-b46d56c55210/meetingtype/fbd378db-c5b9-4364-86b6-5a9c563b28ce?anonymous>)
  
1. **Industry speaker seminars:** Throughout the academic calendar, we host a number of seminars by speakers from industry who talk about real-world application of AI. We already have two seminars booked for October and November. Details will be shared by early October.
